

CURRICULUM VITAE

Date of Birth: June 3, 1961

Education:

Undergraduate

St. Bonaventure University – New York
August 1979 – May 1983
Concentration: Biology and Philosophy
Bachelor of Science Degree in Biology, Cum Laude, Dean's List

Medical School

Albany Medical College – New York
August 1984 - May 1988
Graduation: May 23, 1988 - Medical Doctorate

Internship

Transitional Internship: Mary Imogene Bassett Hospital
Cooperstown, New York June 1988 - June 1989

Residency

Physical Medicine and Rehabilitation Residency:
Strong Memorial Hospital
Rochester, New York, July 1989 - July 1992
Chief Resident, July 1991 - October 1991

Fellowship

Sports & Performing Arts Fellowship
Baylor College of Medicine at TIRR
Houston, Texas
August 3, 1992 - June 30, 1993

Academic Appointments:

Adjunct Associate Professor of Physical Medicine & Rehabilitation
Baylor College of Medicine
July 1, 2004 through present
University of Texas Health Science Center
July 1, 2016 through present

Associate Professor of Physical Medicine & Rehabilitation
Baylor College of Medicine
May 1, 2003

Assistant Professor of Physical Medicine & Rehabilitation
Baylor College of Medicine
July 1, 1993 – April 30, 2003

Para-Preceptor Helms Medical Institute
UCLA Medical Acupuncture for Physicians Course
Tempe, Arizona
May 2003 - 2007

Honors/Awards:

St. Bonaventure University:

Delta Sigma Epsilon, 1982

President, Men's Intramural Program, 1982

President Emeritus, Men's Intramural Program, 1983

Albany Medical College:

Vice President of the Class of 1988, 1985-86

Student Council Vice President, 1986-87

Student Council President, 1987-88

Baylor College of Medicine

Department of Physical Medicine & Rehabilitation

Teacher of the Year – 1998

R. Edward Carter, JR., M.D. Clinical Achievement Award

Baylor College of Medicine / University of Texas Physical Medicine &
Rehabilitation Alliance

June 15, 2002

The American Academy of Physical Medicine & Rehabilitation

2013 Distinguished Clinician Award

The American College of Sports Medicine

Fellow

Conferred November 13, 2001

National and Regional Awards

The Best Doctors in America

2001-2002, 2007-2008, 2009-2010, 2010-2011, 2011-2012, 2013, 2014, 2015-
2016

Guide to America's Top Physicians

Consumers' Research Council of America

2004-2005

Houston's Top Doctors

Inside Houston Magazine

February 1998, October 1998

Board Certification:

American Board of Physical

Medicine and Rehabilitation

(Part I and II)

May 1993 - Certificate #4067

Recertified May 2003 #4067

Recertified July 1, 2013 #4067

American Board of Medical Acupuncture
February 4, 2002
Recertified June 30, 2012

American Board of Physical
Medicine and Rehabilitation
Sports Medicine Subspecialty certification
September 1, 2007, certificate #7
Recertified July 16, 2016

Fellow American Academy of Physical Medicine & Rehabilitation
Fellow American College of Sports Medicine
Fellow American Academy of Medical Acupuncture

American Registry for Diagnostic Medical Sonography
RMSK Certification
ARDMS #168580
March 27, 2013

Professional Societies & Academic Services:

American Academy Physical Medicine & Rehabilitation
Sports Medicine Special Interest Group Education Committee, 2000
Vice President, 2001; President 2002 - 2004

2002 Study Guide Committee: Industrial Medicine & Acute Musculoskeletal

Medical Education Committee
2012 – present

Quality, Practice, Policy and Research Task Force
March 2014 – 2016

Musculoskeletal Ultrasound Task Force
2011 – present
STEP program 2016-present

Practice Preparedness Committee
2015-present

2015 Annual Assembly
Boston, MA
Track / Course Director: Practice Management Track
September 30 – October 4

2016 Annual Assembly
New Orleans, LA

Track / Course Director: Practice Management Track
October 20-23

Physiatric Association of Spine, Sports, and Occupational Rehabilitation
Liaison to the American Academy of Physical Medicine & Rehabilitation Practice
Guidelines Committee, 2001- 2003
Program Co-Chairman 2004 Annual Meeting, Phoenix, Arizona

American College of Sports Medicine
Endurance Athletes Medicine and Science Special Interest Group
President, 2006-2007
Texas Chapter, American College of Sports Medicine
Fellow, May 2002

American Academy of Medical Acupuncture

American Medical Society for Sports Medicine

American Institute for Ultrasound in Medicine

American Road Racing Medical Society
President, 2008 - 2009
Founding Member, October 11, 2003

International Institute of Race Medicine
(formerly American Road Race Medical Society)
Board of Directors

American Medical Athletic Association, Clinic Advisor, July 1997 – 2016

National Scientific Participation

Invited reviewer: PMR
Invited reviewer: AJPMR
Invited reviewer: JUM

Non-Academic Positions:

Houston Marathon Committee
Medical Director
1998 to present
Board of Directors
2001- April 2014
Board of Directors: Advisory Panel
1998 to 2000
The Houston Marathon Foundation
Founding member; 2007 – 2011

Medical Director
Memorial Hermann Sports Medicine and Rehabilitation/The Institute for
Rehabilitation and Research, Greenway Plaza
1993 – 2016

Chairman, Joints in Motion Training Program
Arthritis Foundation, Houston, TX
1998 – 1999

Business Affiliations:

2nd, MD
Consultant
December 2016 - present

AIM Specialty Health
PT/OT Specialty Panel
Musculoskeletal Interventional Pain Specialty Panel
June 2018 – present

Genzyme Biosurgery
Speaker's Bureau
Frontier Council
Consultant (2009)

Sonosite, Inc.
Consultant / Clinical Instructor 2007 -2009

Advanced Health Education Center
Course Director / Instructor
2008 - 2016

Southwest Medical Examination Services, Inc.
Designated Doctor
2010 – 2011

Musculoskeletal Ultrasound Consultants, LLC
Consultant/Trainer/Owner
2012 – present

Research Information:

Areas of Interest:
Hyponatremia
Running biomechanics
Musculoskeletal Ultrasound
Medical coverage of endurance events
Visco supplementation
Acupuncture

Myofascial pain

Houston Fit/ Houston Marathon
Epidemiologic Studies, 1999-2007

Co-Investigators: Joe Chorley, M.D., John Cianca, M.D., Jon Divine, M.D. et al

Chevron Houston Marathon Hyponatremia Studies, 2000-Present

Co-Investigators: Joe Chorley, M.D., John Cianca, M.D., Jon Divine, M.D. et al

Radiographic Teaching File: Developed and Created for University Sports Medicine: Spring, 1992 Mentor: E. James Swenson

The Effects of Weight Loss on Injury and Performance - Empire State Games -Buffalo, 1986 & Syracuse, 1987, Funded by the Department of Family Practice, Albany Medical Center, Merritt Spear, M.D., Betsy Colvin, Ph.D., (Advisors)

University of Rochester Medical Center, Rochester, NY

Force Plate Research 1982 - 1984

Co-Investigators: Kenneth DeHaven, M.D., John Bernfield, M.S.

Grants:

Authors: Joe Chorley, M.D., Jon Divine, M.D., John C. Cianca, M.D. et al

American College of Sport Medicine

Prospective Epidemiological Surveillance of a 25 Week Marathon Training Program

\$ 10,000.00, awarded June 1999

Author: John C. Cianca, M.D., Joseph N. Chorley, M.D.

Baylor College of Medicine, Department of Physical Medicine & Rehabilitation

Epidemiological Surveillance of a Marathon Training Program

\$ 5,000.00, awarded February 1999

National and International Presentations (abbreviated list):

Rehabilitation Management of the Injured Runner

American Academy of Physical Medicine & Rehabilitation

Anaheim, California

October 11, 1994

Myofascial Pain; Industrial Rehabilitation; and Biomechanical Assessment

ILAR Congress of Rheumatology

Singapore

June 9-10, 1997

Shoulder Impingement Syndrome: Diagnostic and Treatment Approaches of Manual Medicine, Sports Medicine and Myofascial Pain

American Academy of Physical Medicine & Rehabilitation Annual Assembly

Atlanta, Georgia

November 14, 1997

Foot Orthoses: Principles and Prescriptions; Knee/Ankle/Foot Physical Examination; Running Biomechanics
Medical Challenges in the Endurance Athlete
PASSOR 1999 Midyear Educational Update
Chicago, Illinois
March 13-14, 1999

Diagnosis, Location, and Severity of Injuries in a Marathon Training Program
Free Communication / Slide
J.C. Cianca, J.N. Chorley, C.J. Campbell, J.G. Divine, T. Hew
American College of Sports Medicine 47th Annual Meeting
Indianapolis, Indiana
June 1, 2000

Hyponatremia in Marathoners: Clinical Presentation and Possible Risk Factors
American Medical Athletic Association Sports Medicine Symposium at the Marine Corps
Marathon, Arlington Hospital, Arlington, Virginia
October 20, 2000

Overview of Acupuncture Theory and Research - John Cianca, M.D., Ann Cotter, M.D., Martin Grabois, M.D.; Botulinum Toxin Injections for Refractory Myofascial Pain – New Techniques in Pain Injections; Endurance Sports Events: The Role of a Medical Director – John Cianca, M.D., Michael Halperin, M.D., Robert Wilder, M.D., William Micheo, M.D., Michael Fredericson, M.D.; PASSOR: Advanced Lower Extremity Workshop: RUNNER'S EVALUATION - John C. Cianca, M.D., Michael Fredericson, M.D., Venu Akuthota, M.D.
American Academy of Physical Medicine & Rehabilitation Annual Assembly
San Francisco, California
November 2-5, 2000

Running Biomechanics
Foot Biomechanics and Examination Techniques
John C. Cianca, M.D.
PM&R Resident Lecture
Stanford University, Department of Functional Restoration
Palo Alto, California, August 15, 2001

Running Biomechanics & a 3-Dimensional Approach to Running Injuries
John C. Cianca, M.D.
Grand Rounds
Baylor College of Medicine, Department of Orthopedics
Houston, Texas, November 14, 2001

American Medical Athletic Association Sports Medicine Symposium at The 105th Boston Marathon, The Back Bay Hilton, Boston, MA
April 14, 2001

American Academy of Physical Medicine & Rehabilitation 61st Annual Assembly
Overview of Acupuncture Theory and Research Botulinum Toxin Injections for Refractory Myofascial Pain – New Techniques in Pain Injections
Endurance Sports Events: The Role of a

Medical Director PASSOR: Advanced Lower Extremity Workshop: RUNNER'S
EVALUATION
Hilton and Towers Hotel
San Francisco, California
November 2-5, 2000

Organization of Medical Coverage for a Marathon
Hanzehogeschool Groningen
Groningen, The Netherlands
Wednesday, September 18, 2002

The Use of Viscosupplementation
John C. Cianca, M.D.

23rd Annual Conference on Exercise Sciences & Sports Medicine
The Science and Medical Care of Endurance Sports
San Juan, Puerto Rico
March 26-27, 2009

Inaugural Musculoskeletal Ultrasound Course of the Portuguese Society of PM&R
Presenter and table trainer
Lisbon, Portugal
July 12 – 14, 2013

8th World Congress of the International Society of
Physical and Rehabilitation Medicine
Platelet Rich Plasma and other Biologic Treatments in

Musculoskeletal Injuries

Cancun, Mexico

June 1-5, 2014

26th Annual Meeting of the Asociación Puertorriqueña de Medicina Física y Rehabilitación

Rio Grande, PR

Introduction to ultrasound guided injection

Basic Anatomy and scanning of wrist

Basic Anatomy and scanning of elbow

Evaluation and Management of Foot Injuries

PRP and Other Biological Treatments in Musculoskeletal Injuries

September 18-20, 2014

2015 TPMA Annual Conference and Business Meeting

Is it really a tendon issue? Use ultrasound to confirm

Does Eastern medicine have any role in chronic pain?

Top 3 Common Injuries in Runners: How to prevent and treat?

The Royal Sonesta Hotel, Houston, Texas

June 11-14, 2015

Invited Professorship

University of Medicine and Dentistry New Jersey

Department of PM & R

New Jersey Society of Physical Medicine and Rehabilitation

Newark, New Jersey

A Sonographic Demonstration of Extended Field of View

Interesting Cases Using Sonography

August 24, 2015

American Academy of Physical Medicine & Rehabilitation Annual Assembly

Running a Cash Practice

Hines Convention Center, Boston, MA

October 4, 2015

University of Texas Southwestern Medical Center

Department of PM&R Grand Rounds

Understanding Anatomy Using Sonography

October 16, 2015

Running USA 2016: The 13th Industry Conference

Medical Breakout Session: Managing Medical at Endurance Events

Panel Discussion

Westin Bonaventura Hotel and Suites, Los Angeles CA

February 10-12, 2016

Dannemiller Interventional Pain Management Techniques Using Fluoroscopic Guidance and

Ultrasound: A Hands-on Cadaver Workshop

Ultrasound Guided Peripheral Joint Injections

San Antonio, TX

March 11-13, 2016

Shoulder Clinical Applications and Pathology with Ultrasound
Clinical Applications of Ultrasound
American Academy of Physical Medicine & Rehabilitation Annual Assembly
New Orleans, LA
October 19, 2016

The Orthobiologic Institute
8th Annual PRP & Regenerative Medicine Symposium
Workshops & Cadaver Labs
MSK Ultrasound-guided Injections Basics
Las Vegas, NV
June 8-10, 2017

National Athletic Trainers Association Annual Meeting
NATA Foundation Distinguished Scholars Presentation
NATA/ACSM exchange lecture
Marathon Medical Coverage: Cardiac Resuscitation
George Bush Convention Center
Houston, TX
June 27, 2017

American Medical Society for Sports Medicine
Fueling for Ultra-Endurance Events – Reaching Beyond the Marathon
Lake Buena Vista, FL
April 24-29, 2018

Local Presentations:

Numerous presentations to local physicians, physical therapists, residents, medical students, running clubs, and civic organizations from 1992- present

Caroline Kienstra, MD 2014-15
Rebecca Martini, MD 2015-2016
Armand Scurfield, MD 2016-2017
Richard Eccles, MD 2016-2017
Ashley Brouillette, MD 2017-2018
Brent Bjornsen, MD 2017-2018

University of Texas Medical Branch, Dept. of Rheumatology
Shervin Assassi, MD

Residents:

Baylor College of Medicine / University of Texas Medical Branch
6 monthly rotations per year: 1994-2004
4 monthly rotations per year: 2005- present

Course Director:

Sports Medicine Course: Assessment and Treatment of Athletes and Performing Artists
Baylor College of Medicine,
Dept. of Physical Medicine and Rehabilitation
Houston, Texas- September 17-18, 1993

Myofascial Pain and Fibromyalgia Course
Baylor College of Medicine @ TIRR
Department of Physical Medicine & Rehabilitation
Houston, Texas-August 26-27, 1994

Musculoskeletal Injury and The Spine
Baylor College of Medicine, Department of Physical Medicine & Rehabilitation
Houston, Texas- December 16-17, 1994

The Athlete's Body and Special Topics in Sport Medicine
Baylor College of Medicine, Department of Physical Medicine & Rehabilitation
Houston, Texas- April 26-27, 1996

Foot Biomechanics
Baylor College of Medicine, Department of Physical Medicine & Rehabilitation
Houston, Texas - February 14, 1998

The Shoulder: Anatomy, Function and Dysfunction
Baylor College of Medicine, Department of Physical Medicine & Rehabilitation
Houston, Texas - February 20, 1999

23rd Annual Lewis A. Leavitt Memorial Lectureship
Baylor College of Medicine, Department of Physical Medicine & Rehabilitation
Houston, TX - June 23, 2000

The American Academy of Physical Medicine & Rehabilitation
PASSOR Annual Scientific Assembly-Course Director
Musculoskeletal Concerns of Seniors
Phoenix, AZ
October 7-9, 2004

American Road Race Medical Society
Endurance Events: Medical Logistics and Clinical Care
In conjunction with Chevron Houston Marathon / 2012 USOC Olympic Trials: Marathon
Course Director
Houston, Texas
January 13, 2012

American Academy of Physical Medicine & Rehabilitation
Hands-On Diagnostic Musculoskeletal Ultrasound: Introduction to Uses and Techniques
Preconference Course
Course Director
Seattle, WA
November 4, 2010
Las Vegas, NV
June 8-12, 2011
Orlando, FL
November 15-16, 2011
Atlanta, GA
November 13-14, 2012
National Harbor, MD
October 1-2, 2013
San Diego, CA
November 11-12, 2014

Advanced Health Education Center
Introduction to Musculoskeletal Ultrasound
Course Director and Instructor
Houston, Texas
September 19-20, 2009
June 19-20, September 18-19, 2010
February 26-27, June 25-26, September 17-18, 2011
February 25-26, June 9-10, September 15-16, 2012
September 14-15, 2013
February 22-23, June 21-22, September 27-28, 2014
September 27-28, 2014
September 26-27, 2015
October 1-2, 2016

Shoulder Examination with Ultrasound

March 6, 2010

American Academy of Physical Medicine and Rehabilitation
2015 Annual Assembly
Practice Track / Course Director: Practice Management Track
Boston, MA
September 30 – October 4, 2015

Course Faculty positions:

Helms Medical Institute: Medical Acupuncture for Physicians: Clinical Unit
Tempe, AZ
May 17-18, 2008

American Academy of Physical Medicine & Rehabilitation
Hands-On Diagnostic Musculoskeletal Ultrasound: Uses and Techniques
Preconference Course
Austin, Texas
October 21, 2009

American Academy of Physical Medicine & Rehabilitation
Diagnostic and Interventional Musculoskeletal Ultrasound of the Upper Extremity
Las Vegas, Nevada
June 11-13, 2010
June 10-12, 2011

American Academy of Physical Medicine & Rehabilitation
Diagnostic and Interventional Musculoskeletal Ultrasound of the Lower Extremity
Las Vegas, Nevada
February 11-13, 2011
February 9-11, 2012

6th Annual AIUM Mayo Clinic Diagnostic & Interventional
Musculoskeletal Ultrasound Course
Rochester, MN
July 18-22, 2012

Baylor College of Medicine/University of Texas Medical Branch
PM&R Residency Program
Musculoskeletal Ultrasound Cadaver Course: Neck and Shoulder Cervical Dystonia Injection
Houston, TX
September 6 and 8, 2012
August 22 and 24, 2013

Ultrasound Guided Injections
Musculoskeletal Ultrasound and Spasticity Anatomy Course:
Baylor College of Medicine
Houston, TX
Sept. 10 & 12, 2015

Ultrasound Hands-on Workshop
Dannemiller Interventional Pain Management Techniques Using Fluoroscopic Guidance and
Ultrasound: A Hands-on Cadaver Workshop
San Antonio, TX
March 11-13, 2016

Ultrasound Guided Injections
Cadaveric Musculoskeletal Ultrasound and Spasticity Anatomy Course
Baylor College of Medicine
Houston, TX
Sept. 22 & 24, 2016

Presentations:

Piriformis Syndrome
Physical Medicine and Rehabilitation Grand Rounds
University of Rochester Medical Center, Rochester, New York
January 31, 1992
University Sports Medicine, Rochester, New York
February 21, 1992
Pain Treatment Center, Strong Memorial Hospital
Rochester, New York
March 8, 1992

Introduction to Sports Medicine
Clinical Core Medical Students - Baylor College of Medicine
September 30, 1992, August 18, 1993, December 1, 1993, August 31, 1994, September 12, 1995

Clinical Correlations for Anatomy
Physical Medicine & Rehabilitation-Baylor College of Medicine
Clinical Correlation
Resident Anatomy Course
September 1992 - present

Neuromusculoskeletal Course - Musculoskeletal Injuries
Medical Students - Baylor College of Medicine
June 15, 1993

Sports Medicine Lecture Series: Knee Biomechanics
Residents - Physical Medicine & Rehabilitation – Baylor College of Medicine
June 22, 1993, November 8, 1994

On the Field Assessment of Athletic Injuries
Residents - Physical Medicine & Rehabilitation – Baylor College of Medicine
August 5, 1993

Knee Exam; Shoulder Exam
Pediatric Sports Medicine Course
Baylor College of Medicine

August 14, 1993

Sports and Human Performance - A Suggestion for Clinical Intervention
Baptist Hospital, Beaumont, Texas
September 9, 1993

Assessment of Musicians
Baylor College of Medicine, Department of Physical Medicine & Rehabilitation
September 17, 1993

A Discussion of Running and Running Injuries
Continental Airlines Running Club
Houston, Texas
September 24, 1993

Houston Community College Marathon Class
Houston, Texas
September 29, 1994

Preparation for the Running Season
YMCA Lecture Series #1
Houston, Texas
September 29, 1993
Decisions in Self Care as a Runner
YMCA Lecture Series #2
October 20, 1993
Cycling
YMCA Lecture Series #3
March 24, 1994

Spirituality and Medical Education
Medical Student Brown Bag Lunch Series
October 15, 1993

The Knee: Anatomy and Clinical Examination
First Year Medical Students - Baylor College of Medicine
November 10, 1992, April 6, 1993, October 19, 1993

KNUZ Radio Series on Sports and Human Performance Injuries
KNUZ 1230-AM
Houston, TX
November 1 - 4, 1993
Running and Physical Fitness
Houston, TX
January 1994

Overview of Basketball Injuries
Residents – Physical Medicine & Rehabilitation Baylor College of Medicine
November 30, 1993
Running and Gender

Houston Tenneco Marathon Running and Fitness Symposium
Question and Answer Session, Open Forum
Houston, TX
January 16, 1994

Industrial Rehabilitation & Ergonomics
Baylor College of Medicine
28th Annual PM&R Board Review Course, March 19, 1994
29th Annual PM&R Board Review Course, March 18, 1995
30th Annual PM&R Board Review Course, March 16, 1996
31st Annual PM&R Board Review Course, March 22, 1997

Myofascial Pain and Fibromyalgia
32nd - 35th Comprehensive PM&R Review Course, March 1998 - 2001
36th Comprehensive PM&R Review Course, March 18, 2002

Sports Medicine: Upper and Lower Extremities
34th, 35th, 36th Comprehensive PM&R Review Course, March, 2000-2002

Uses of SwimEx Tank and Exercise Therapy
The Institute for Rehabilitation & Research
Case Conference - Physicians
Houston, TX
April 4, 1994

Preliminary Report of Head Injury and Sports
The Institute for Rehabilitation & Research
Case Conference - Physicians
Houston, TX
April 18, 1994

Biomechanics of Throwing
Baylor College of Medicine, Department of Physical Medicine & Rehabilitation,
Grand Rounds
July 9, 1994

The Musculoskeletal System and Endurance Training
Fort Davis Fitness & Training Camp
August 10, 1994

A Comprehensive Biomechanical Analysis of the Overhand Throwing Motion
Physical Medicine & Rehabilitation Grand Rounds – Baylor College of Medicine
September 9, 1994, July 9, 1999

Sports Medicine Lecture Series: Low Back
Residents - Physical Medicine & Rehabilitation Baylor College of Medicine
November 15, 1994
Shoulder
Residents - Physical Medicine & Rehabilitation Baylor College of Medicine
November 22, 1994

Myofascial Implications of the Cervical Spine; Lumbo-Pelvic Mechanics and Myofascial Implications
Musculoskeletal Injury and the Spine Course
Baylor College of Medicine
December 16-17, 1994

Cycling Biomechanics and Injury
Conoco Bicycle Club, Houston, Texas
March 9, 1995, January 22, 1996
Downtown YMCA
Houston, Texas
March 17, 1995

Biomechanics of Musculoskeletal System
Personal Trainers Course
Houston, Texas
March 29, 1995
Clinical In-service "When the Foot Hits the Ground Everything Changes"
Houston, Texas
May 19, 1995

Foot Biomechanics
Case Conference
The Institute for Rehabilitation & Research (TIRR)
Houston, Texas
July 3, 1995

Head & Neck Injuries in Scholastic Sports
Houston Area Coaches - 2nd Baptist Church
Houston, Texas
August 5, 1995

Aging & the Musculoskeletal System
Certified Fitness Trainers, Aerobic Instructors & Personal Trainers - Moving with Seniors
Seminar and Workshop
Houston, Texas
August 12, 1995

The Spine: Anatomical & Biomechanical Considerations in Water Exercise Therapy
SwimEx Workshop @ Human Performance & Rehabilitation Center
Houston, Texas
August 12-13, 1995
Introduction to Clinical Skills
Baylor College of Medicine - 2nd year Medical Students
September 13, 1995

Basic Limb Exam
Baylor College of Medicine - 1st year Medical Students
September 13, 1995

Knee Injuries
October 24, 1995

Botox and Myofascial pain
Baylor College of Medicine, Department of Physical Medicine & Rehabilitation,
Grand Rounds
February 8, 1996

Myofascial Pain and Trigger Point Injections
Family Practice Residents
Baytown, TX
April 16, 1996

21st Annual Lewis A. Levitt, M.D. Memorial Lectureship
Physical Medicine and Rehabilitation Baylor College of Medicine
Psychoneuroimmunology and Spirituality: Implications for Rehabilitation
June 12, 1998

Acupuncture in Clinical Medicine
Texas Woman's University –Physical Therapy School
Houston, Texas
November 11, 1998

Biomechanics of the Upper Quarter
Baylor College of Medicine, Physical Medicine & Rehabilitation: The Shoulder, Anatomy,
Function and Dysfunction
February 20, 1999

Integrated Evaluation and Treatment of Musculoskeletal Problems
Texas Physical Therapy Association Annual Conference
Adams Mark Hotel, Houston Texas
September 18, 1999, 8:00 – 10:00 AM

Lessons from the Baylor Marathon Surveillance Study
Joseph Chorley, M.D., John Cianca, M.D., Tamara Hew, DPM
Texas Chapter of the American College of Sports Medicine Annual Meeting
College Station, Texas
February 12, 2000

Examination of the Hip and Pelvis in the Runner
Texas Chapter of the American College of Sports Medicine Annual Meeting
College Station, Texas
February 12, 2000

Evaluating the Runner: A Discussion of Applied Biomechanics
Department of Orthopedics Grand Rounds
Baylor College of Medicine
November 2001
Department of Family Practice
University of Texas

August 2002

The Use of Visco Supplementation
Edward T. Smith Orthopedic Lectureship 2002
Crowne Plaza Houston Medical Center
Houston, Texas, Friday, November 8, 2002

American Academy of Physical Medicine & Rehabilitation 63th Annual Assembly
Botox Therapy – A Critical Review of the Literature
Orlando World Center Marriott
Orlando, Florida
November 21 – 23, 2002

When and How to Use Synthetic Hyaluronic Acid Joint Injections for the Arthritic Knee
Annual Meeting of the Texas Chapter of the American College of Sports Medicine
The Omni-Houston Westside Hotel
Houston, Texas
February 8, 2003

American Medical Athletic Association's 32nd Annual Sports Medicine Symposium at Boston
Hyponatremia in Marathon Runners: A Five-Year Review, 3:10 – 4:00
Hyponatremia Panel Discussion, 4:00 – 5:00
Colonnade Hotel, Boston, Massachusetts
Saturday, April 19, 2003

The Kinetic Chain: Using It to Understand and Treat Injuries
SouthWest Athletic Trainers Association
The Colonnade Hotel, Dallas, Texas
Saturday, July 26, 2003

Running and Injuries: A Three-Dimensional Analysis
Oklahoma Human Performance Center
Orthopedic Hospital of Oklahoma
Tulsa, Oklahoma
Saturday, September 27, 2003

American Academy of Physical Medicine & Rehabilitation 64th Annual Assembly
Downed Runner Workshop, 10:30 – 12:00 PM
Evaluation of the Injured Runner Workshop, 2:00 – 3:30 PM
Choosing and Using Relevant Clinical Practice Guidelines, 8:30 – 12:00 PM
Visco Supplementation of the Knee, 7:00 – 8:00 AM
Hyponatremia and Other Medical Emergencies in Marathon Runners, 4:00 – 5:30 PM
Hilton Chicago
Chicago, Illinois
October 9- 12, 2003

American Medical Athletic Association's 2003 Sports Medicine Symposium at the Marine Corps
Marathon: Medical Management of Endurance Events
Medical Director Training for Endurance Events, 1:40 – 2:20 PM
Hyponatremia Panel Discussion, 6:30 – 8:30 PM

Biomechanical Evaluation of the Runner, 10:25 – 11:00 AM
Virginia Hospital Center
Arlington, Virginia
October 24 – 25, 2003

Acupuncture Basics: A Historical and Clinical Discussion of Eastern Medicine
South Eastern District of Texas Physical Therapy Association monthly meeting
1 Fannin St., Houston, Texas
November 20, 2003

Running Medicine 2004: Sports Medicine for the Endurance Athlete, University of Virginia
School of Medicine,
Omni Hotel, Charlottesville, Virginia
April 1-3, 2004

3rd Annual Sports Medicine Update, Baylor Sports Medicine Institute,
Minute Maid Park, Houston, Texas
June 1-2, 2004

Visco Supplementation Technique Workshop
Train the Trainer on Injection Technique
New York, New York
May 13-14, 2005

Physical Medicine & Rehabilitation- UT Medical School
Rheumatology Core Curriculum Lectures
Resident Anatomy Course
April 6, 2006

University of Rochester Physical Medicine & Rehabilitation Grand Rounds
Treating Lower Extremity Osteoarthritis with Ultrasound Techniques and
Visco Supplementation
Rochester, New York
April 20, 2007

Physical Medicine & Rehabilitation- Baylor College of Medicine
PM&R Alliance Program for Senior Residents
UT Medical School, UT Southwestern, Louisiana State University, & University of Kansas
Injection Therapies Workshop
May 12, 2007

University of Texas Medical Branch
Ultrasound Course
Houston, TX
February 27, 2008

American Medical Athletic Association
Sports Medicine 37th Annual Symposium
Boston Marathon
Boston, MA

April 19-20, 2008

Genzyme Biosurgery

Synvisc Workshop Speakers Bureau
Arlington, TX, April 29, 2008
Buffalo, NY, August 14-16, 2008
UNT Health Science Center/Division of Rheumatology (1st location)
JPS Sports Medicine (2nd location)
Dallas, TX, September 9, 2008
Troy, Michigan, October 2, 2008
Houston, TX, November 18, 2008

Sanofi-Aventis

Hyalgan Speaker Bureau:
The Senior Network: Don't Let Osteoarthritis of the Knee Become a Pain
Houston, TX, July 7, 2008
Houston, TX, July 16, 2008
Houston, TX, December 10, 2008

Hyalgan Speaker Training Meeting
Miami, FL
December 5-6, 2008

Sanofi-Aventis

Hyalgan Speaker Bureau:
The Senior Network: Don't Let Osteoarthritis of the Knee Become a Pain
Houston, TX, August 11, 2009
Houston, TX, November 10, 2009

University of Texas Medical Branch
Electromyography and Cervical Dystonia Regional Ultrasound Workshop
Houston, TX
February 6, 2009

Genzyme Biosurgery

Synvisc-One Speaker Training Meeting
Las Vegas, NV-February 24, 2009
Tulsa, OK-October 8-9, 2009
University of Rochester, New York, NY, December 22, 2009

Association of Academic Physiatrists
Annual Meeting
Physiological Basis of Musculoskeletal Injuries from Basic Science to Clinical Applications
Colorado Springs, Colorado
February 24-28, 2009

University of Puerto Rico- School of Medicine-Medical Science Campus
23rd Annual Conference on Exercise Sciences & Sports Medicine
The Science and Medical Care of Endurance Sports

San Juan, Puerto Rico
March 26-27, 2009

SonoSite, Inc

Musculoskeletal Ultrasound Consulting Physician
Diagnostic Ultrasound in a Musculoskeletal Practice
Sonosite National Meeting
Miami, FL, April 21, 2009

Introduction to Diagnostic Musculoskeletal Ultrasound
Stanford University, Palo Alto, CA, June 19, 2009
Irving, TX, July 18, 2009
Houston, Texas, August 29, 2009
New Orleans, LA, September 26, 2009
Seattle, WA, November 6, 2009
Augusta, GA, December 4-6, 2009

Orthotalk, Inc

Shoulder Ultrasound Training
Houston, TX
October 3, 2009

Sonosite, Inc

National Meeting/Ultrasound Training
Dallas, TX, February 9-10, 2010
Tampa, FL, May 1-2, 2010

Genzyme Biosurgery

Synvisc One Presentation and In-Service
Tucson, AZ, March 3-4, 2010
Phoenix, AZ, June 22-23, 2010
Oklahoma City, OK, July 22-23, 2010

American College Sports Medicine-Gatorade
Lecture/ Presentation
Houston, TX
March 5, 2010

BCM/UT Resident In-Service
Injection Workshop
Houston, TX
March 19, 2010
August 6, 2010

Baylor College of Medicine/University of Texas PM&R Residency Program
Upper Quarter Anatomy: Cross Sectional and Diagnostic Ultrasound Correlation
Houston, TX
August 6, 2010

UTMB Health

Electromyography Workshop: Cervical Dystonia Upper Limb Spasticity
Houston, TX
February 4-5, 2011

UTHSC cadaver Ultrasound Course
Houston, TX
October 1, 2011

Veterans Administration Ultrasound Tutorial
Houston, TX
November 3 and 10, 2011

American Academy of Physical Medicine & Rehabilitation
2011 Annual Assembly
Orlando, Florida
The Physiatrist as Medical Director
November 16, 2011
Advanced Musculoskeletal Ultrasound Applications
November 16, 2011

Genzyme Biosurgery

Synvisc One Presentation and Ultrasound Techniques
Houston, TX
December 7, 2011

American Academy of Physical Medicine & Rehabilitation
2012 Annual Assembly
Diagnostic and Interventional Musculoskeletal Ultrasound of the Lower Extremity
Las Vegas, NV
February 10-12, 2012

UTMB EMG Workshop
Houston, TX
February 9-11, 2012

Genzyme Ultrasound Workshop
Synvisc One Presentation and Ultrasound Techniques
Chicago, IL
May 18, 2012

ACSM Annual Meeting
San Francisco, CA
May 29-June 2, 2012

6TH Annual AIUM Mayo Clinic Diagnostic & Interventional
Musculoskeletal Ultrasound Course
Table trainer
Mayo Clinic Phillips Hall
July 18-22, 2012

Baylor College of Medicine/University of Texas Medical Branch

PM&R Residency Program
Musculoskeletal Ultrasound Cadaver Course: Neck and Shoulder Cervical Dystonia Injection
Houston, TX
September 6 and 8, 2012
August 22 and 24, 2013

American Academy of Physical Medicine & Rehabilitation Annual Assembly
Hands-On Diagnostic Musculoskeletal Ultrasound:
In-Depth Intro to Uses and Techniques
Course Director
Atlanta, GA
November 13-14, 2012

AOCPM&R
Musculoskeletal Ultrasound Course for the Hip and Related Structures
Table trainer
Breckenridge, CO
January 18-20, 2013

Musculoskeletal Ultrasound Course/Training
Atlanta, GA
January 25-27, 2013

15th Annual Physical Medicine & Rehabilitation Scientific Day
UT Southwestern Medical Center T. Boone Pickens Biomedical Building
Lecture: Musculoskeletal Ultrasound in Education
Musculoskeletal Ultrasound Workshop:
Basic Hands-on Musculo-Skeletal Ultrasound on Healthy Models
Dallas, Texas.
May 10, 2013

American Academy of Physical Medicine & Rehabilitation
Advanced Diagnostic and Interventional Ultrasound
Techniques for Tendinopathy
Table trainer
Tampa, Florida
May 17- 18, 2013

7th Annual AIUM Mayo Clinic Diagnostic & Interventional
Musculoskeletal Ultrasound Course
Mayo Clinic Phillips Hall
Table trainer
June 26 -29, 2013

Inaugural Musculoskeletal Ultrasound Course of the Portuguese Society of PM&R
Presenter and table trainer
Lisbon, Portugal
July 12 – 14, 2013

American Academy of Physical Medicine & Rehabilitation

Introduction to Diagnostic and Interventional
Ultrasound Applications in Physiatry
Course Director, Presenter, and Table trainer
National Harbor, Maryland
October 1 - 2, 2013

UTMB EMG Workshop
PMR Electromyography Workshop and Upper Limb Spasticity
Nerve Entrapments and Ultrasound
Quentin Mease Community Hospital
Houston, TX
February 20 and 22, 2014

American Academy of Physical Medicine & Rehabilitation
Diagnostic and Interventional Musculoskeletal Ultrasound
of the Lower Extremity
Presenter and Table trainer
Tampa, Florida
March 7-9, 2014

8th World Congress of the International Society of
Physical and Rehabilitation Medicine
Pre-course: Musculoskeletal Ultrasound: Elbow
Table trainer
June 1, 2014

Symposium: Advances in Musculoskeletal and Sport Rehabilitation
(Course and CME Sponsored by American Academy of Physical Medicine & Rehabilitation)
Platelet Rich Plasma and other Biologic Treatments in
Musculoskeletal Injuries
Cancun, Mexico
June 4, 2014

7th Annual AIUM Mayo Clinic Diagnostic and Interventional
Musculoskeletal Ultrasound Course
Table trainer
Mayo Clinic Phillips Hall
Rochester, Minnesota
July 10-12, 2014

American Academy of Physical Medicine & Rehabilitation
2014 Annual Assembly
Sports Physiatrist: How to Be on Top of Your Game
 Medical Coverage of Endurance Events
Ultrasound Intensive Hand and Wrist in Musculoskeletal Medicine
 Table trainer
Understanding Scapular Muscle Anatomy and Injury Through Ultrasonography
 Table trainer
Advanced Musculoskeletal Ultrasound Applications for Difficult Clinical Cases: 2 slides, 2
Minutes, 2 Questions

San Diego, CA
November 13-16, 2014

Methodist Primary Care Sports Medicine Fellowship Program
Musculoskeletal Ultrasound training
Houston, TX
March 7-8, 20015

The OrthoBiologic Institute
6th Annual PRP & Regenerative Medicine Symposium with Cadaver Lab
Las Vegas, NV
Cadaver Lab table trainer
June 12-14, 2015

Invited Professorship
University of Medicine and Dentistry New Jersey
Department of PM & R
New Jersey Society of Physical Medicine and Rehabilitation
Newark, New Jersey
A Sonographic Demonstration of Extended Field of View
Interesting Cases Using Sonography
August 24, 2015

Ultrasound Guided Injections
Musculoskeletal Ultrasound and Spasticity Anatomy Course:
Baylor College of Medicine
Houston, TX
Sept. 10 & 12, 2015

American Academy of Physical Medicine & Rehabilitation Annual Assembly
Pre-course: Fundamentals of Ultrasound
Tissue Differentiation Interactive Workshop
Table Trainer
September 29-30, 2015
Running a Cash Practice
October 4, 2015
Hines Convention Center, Boston, MA

American Medical Society for Sports Medicine Annual Meeting
Advanced Sports US Pre-course
Table Trainer
Dallas, TX
April 15, 2016

Dannemiller Interventional Pain Management Techniques Using Fluoroscopic Guidance and
Ultrasound: A Hands-on Cadaver Workshop
Ultrasound Guided Peripheral Joint Injections
Ultrasound Hands-on Workshop
San Antonio, TX
March 11-13, 2016

American Medical Society for Sports Medicine Annual Meeting
Advanced Sports US Pre-course
Table Trainer
Dallas, TX
April 15, 2016

National Center for Sports Safety and Security Conference & Exhibition
-How to Prepare for Medical Emergencies and Casualties
-National Table Top Exercise: Opportunity to Assess Your Preparation, Mitigation, Preparedness, Response and Recovery and Protocols, Plans and Capabilities to the designed Scenarios
The JW Marriott Desert Ridge Resort & Spa
Phoenix Arizona
July 12-14, 2016

Ultrasound Guided Injections
Cadaveric Musculoskeletal Ultrasound and Spasticity Anatomy Course
Baylor College of Medicine
Houston, TX
Sept. 22 & 24, 2016

American Academy of Physical Medicine & Rehabilitation Annual Assembly
Pre-course: Clinical Applications of Ultrasound
Shoulder Clinical Applications and Pathology with Ultrasound
New Orleans, LA
October 19, 2016

American Osteopathic College of Physical Medicine & Rehabilitation
Musculoskeletal Ultrasound Course
Table trainer
Denver, CO
January 19-22, 2017

Ultrasound Guided Peripheral Joint Injections
Ultrasound Hands-on Workshop
Dannemiller Interventional Pain Management Techniques Using Fluoroscopic Guidance and Ultrasound: A Hands-on Cadaver Workshop
San Antonio, TX
February 24-25, 2017

Baylor College of Medicine
51st Annual Physical Medicine & Rehabilitation Comprehensive Review
Musculoskeletal Lecture of Upper and Lower Extremity
Houston, TX
March 30, 2017

American Medical Society of Sports Medicine
Advance Sports US Pre-course
Table Trainer

San Diego, CA
May 8-10, 2017

37th Board Review Course, February 24, 2003
38th Board Review Course, March 22, 2004

American College of Sports Medicine - Team Physician's Course (Part I)
February 9-13, 1994 - Dallas, TX - Grand Pinesey Hotel

Occupational Rehabilitation Medicine Course
Department of Physical Medicine & Rehabilitation
February 26, 1994 - Houston, TX - Baylor College of Medicine

Southern Pain Society - Cervical Spine & Shoulder in Sports & Industry
March 12-13, 1994 - Dallas, TX - A. Webb Roberts Center

17th Annual Lewis A. Leavitt, M.D. Memorial Lectureship
Baylor College of Medicine - June 17, 1994 - Houston, TX
18th Annual Lewis A. Leavitt, M.D. Memorial Lectureship
Baylor College of Medicine - June 9, 1995 - Houston, TX
21st Annual Lewis A. Leavitt, M.D. Memorial Lectureship
Baylor College of Medicine-June 12, 1998 – Houston, TX
22nd Annual Lewis A. Leavitt, M.D. Memorial Lectureship
Baylor College of Medicine-June 25, 1999 – Houston, TX
23rd Annual Lewis A. Leavitt Memorial Lectureship
Baylor College of Medicine-June 23, 2000-Houston, TX -

Myofascial Pain / Fibromyalgia Course
Baylor College of Medicine-Department of Physical Medicine & Rehabilitation
August 26-27, 1994 - Houston, TX

Clinical Aspects & Management of Myofascial Trigger Point Pain
September 24-25, 1994 - Washington, DC

American Academy of Physical Medicine & Rehabilitation
Shoulder Impingement/Rehabilitation
Diagnosis and Treatment of Piriformis Syndrome and Sacroiliac Joint Derangement
Manual Medicine Approach to Shoulder Pain, Successful Introduction of an Exercise
Physiologist into a Physiatry Practice
Exercise Prescription as a Continuum of Manual Medicine
October 8-12, 1994 - Anaheim, CA

Musculoskeletal Injury and the Spine
Baylor College of Medicine- Department of Physical Medicine & Rehabilitation
December 16-17, 1994 - Houston, TX

When the Foot Hits the Ground Everything Changes
February 3-5, 1995 - Lake Tahoe, NV

American College of Sport Medicine-Team Physician's Course (Part II)
February 8-12, 1995- Tampa, FL

Botulinum Toxin Use in the Treatment of Pain Associated with Muscle Dysfunction
October 13-14, 1995 - St. Paul, MN

Annual Scientific Assembly of the American Academy of Physical Medicine & Rehabilitation,
Orlando, Florida, November 16-20, 1995

PASSOR - Hands on Cadaver Course
La Jolla, California
March 16-17, 1997

The Athlete's Body and Special Topics in Sports Medicine
Baylor College of Medicine, Department of Physical Medicine & Rehabilitation
April 26-27, 1996, Houston, TX

International League of Associations for Rheumatology - XIX Congress of Rheumatology-
Singapore International Convention & Exhibition Centre
Singapore, June 8-13, 1997

Current Issues of Magnetic Resonance Imaging in Orthopedics and Sports Medicine
San Francisco, CA, September 3-6, 1997

American Academy of Physical Medicine & Rehabilitation 59th Annual Assembly
Human Biomechanics: What Poliomyelitis Has Taught Us
Shoulder Impingement Syndrome: Diagnostic and Treatment Approaches on Manual Medicine,

Sports Medicine and Myofascial Pain
Rehabilitation Topics—Scientific Paper Presentations
Atlanta, Georgia, November 13-16, 1997

Annual Scientific Assembly of the American Academy of Physical Medicine & Rehabilitation,
Neck Pain: Evaluation and Treatment
The Patient with Acute Lumbosacral Radicular Symptoms: What's really been proven to help?
From Acute Muscle Injury to Myofascial Pain--A State-of-Art Update (Part 1)
From Acute Muscle Injury to Myofascial Pain--A State-of Art Update(Part 2)
Clinical Update--Imaging Review and Physical Examination of the Shoulder and Cervical Spine
Current Concepts in Sports Medicine—The Throwing Athlete
Seattle, Washington, November 5-8, 1998
10.50 Category 1 CME Credits

American College of Sport Medicine Annual Meeting
Seattle, Washington, June 2-5, 1999

Texas Regional Chapter, American College of Sports Medicine, Scott and White Memorial
Hospital, February 11-12, 2000, College Station, Texas

47th Annual Meeting American College of Sports Medicine Annual Meeting, May 31- June 3,
2000, Indianapolis, Indiana

Antonio, June 9-11, 2000, at Holiday Inn Riverwalk, San Antonio, Texas

American Medical Athletic Association Sports Medicine Symposium at the Marine Corps
Marathon, Arlington Hospital
Arlington, VA.
October 20-21, 2000

48th Annual Meeting American College of Sports Medicine Annual Meeting,
2001, Baltimore, Maryland
May 39 – June 2

American Academy of Physical Medicine & Rehabilitation 62nd Annual Assembly
PASSOR: Bone Health for the Millennium:
The Female Athlete
Stress Fractures in the Female Athlete
The Spine
The Female Knee
San Francisco, CA
November 2-5, 2000
12.50 Category 1 CME Credits

The Running Course sponsored by North American Seminars, Inc.
Dallas, Texas
January 27–28, 2001

49th Annual Meeting American College of Sports Medicine

St. Louis, Missouri
May 29 – June 1, 2002

American Academy of Physical Medicine & Rehabilitation
2002 PASSOR Annual Assembly
Cervical Spine Disorders: Evidence-Based Medicine-Consensus and Controversy
Cervical Course: Failed Surgery Syndrom/Chronic Pain
The Paralympic: The Athletes Perspectives
November 21, 2002
8.25 Category 1 CME Credits

50th Annual Meeting American College of Sports Medicine
San Francisco, California
May 28 – 31, 2003

American Academy of Physical Medicine & Rehabilitation
2003 PASSOR Annual Assembly
The Down Runner/Choosing and Using Relevant Clinical Practice Guidelines
October 9-11, 2003
5.50 Category 1 CME Credits

American Academy of Physical Medicine & Rehabilitation
2004 PASSOR Annual Scientific Assembly
Musculoskeletal Concerns of Seniors
October 7-9, 2004
13.50 Category 1 CME Credits

University of Virginia Health Systems
Running Medicine 2004: Sports Medicine for the Endurance Athlete
Charlottesville, VA
April 1-3, 2004

American Road Race Medical Society Meeting
South Michigan Avenue, Chicago
October 8, 2005

American College of Sports Medicine Annual Meeting
Nashville, TN
June 1-4, 2005

Running Medicine 2005
Focus on Biomechanics and the Foot and Ankle
Charlottesville, VA
March 31- April 2, 2005

9th Annual Houston Conference on Health Informatics
Is It Just a Game: Performance and Ethics in Sports Medicine
May 27, 2005

Drayer Physical Therapy Institute National Conference

Las Vegas, NV
October 11-14, 2006

53rd American College of Sports Medicine Annual Meeting
Denver, Co
May 31-June 3, 2006

Rehabilitation Institute of Chicago
Sport & Spine Rehabilitation Symposium:
Functional Approach to the Spine
Chicago, IL
April 27-29, 2007

54th American College of Sports Medicine Annual Meeting
New Orleans, Louisiana
May 30-June 2, 2007

Gatorade Sports Science Institute
Scientific Conference: Sodium Balance & Exercise
Vail, Colorado
July 18-22, 2007

American Academy of Physical Medicine & Rehabilitation Annual Assembly
September 27, 2007
8.5 Category 1 CME Credits

American Medical Athletic Association
Sports Medicine 37th Annual Symposium
Boston Marathon
Boston, MA
April 19-20, 2008
4 Category 1 CME Credits

American College of Sports Medicine 55th Annual Symposium
Indianapolis, IN
May 28-31, 2008
27.75 AMA PRA Category 1 Credits

American Medical Athletic Association
17th Annual Sports Medicine Symposium at the Marine Corps Marathon
Arlington, VA
October 24-26, 2008
5 Category 1 CME Credits

American Academy of Physical Medicine & Rehabilitation Annual Assembly
San Diego, CA
November 20, 2008
15 Category 1 CME Credits

Association of Academic Physiatrists
Annual Meeting
Physiological Basis of Musculoskeletal Injuries from Basic Science to Clinical Applications
Colorado Springs, Colorado
February 24-28, 2009
3.5 AMA PRA Category 1 Credits

University of Puerto Rico- School of Medicine-Medical Science Campus
23rd Annual Conference on Exercise Sciences & Sports Medicine
The Science and Medical Care of Endurance Sports
San Juan, Puerto Rico
March 26-27, 2009
11 Category 1 Credits

American Academy of Disability Evaluating Physicians
Designated Doctor and Physician Training Course
Fort Worth, TX
May 1-2, 2009
15.0 AMA PRA Category 1 Credits

American College of Sports Medicine 56th Annual Symposium
Seattle, WA
May 27-30, 2009

International Olympic Committee
2nd Annual Advanced Team Physician Course
Stanford, CA
June 20-23, 2009

American Academy of Physical Medicine & Rehabilitation
Austin, TX
October 22, 2009
13 Category 1 CME Credits

American College of Sports Medicine 57th Annual Symposium
2010 Annual Meeting & World Congress on Exercise in Medicine
Baltimore, MD
June 1-4, 2010
31.25 AMA PRA Category 1 Credits

American Academy of Physical Medicine & Rehabilitation Annual Assembly
Seattle, WA
November 4, 2010
27 Category 1 CME Credits

Wilderness and Travel Medicine
Squaw Valley, CA
August 24-28, 2011
23 AMA PRA Category 1 Credits

American Academy of Physical Medicine & Rehabilitation
Las Vegas, NV
June 10, 2011
13 Category 1 CME Credits
Annual Assembly
November 11, 2011
26 Category 1 CME Credits

American Academy of Physical Medicine & Rehabilitation Annual Assembly
Kissimmee, FL
November 17, 2011
11 Category 1 CME Credits

American Academy of Physical Medicine & Rehabilitation Annual Assembly
San Diego, CA
November 13-16, 2014
15 AMA PRA Category 1 Credits

American Academy of Physical Medicine & Rehabilitation Annual Assembly
Boston, MA
October 1-4, 2015
30 AMA PRA Category 1 Credits

AAOM 34th Annual Conference and Scientific Seminar
Lyftogt Perineural Injection Treatment Workshop
Seattle, WA
April 19-22, 2017

American College of Sports Medicine
8th World Congress on Exercise is Medicine and
World Congress on Basic Science of Exercise and Brain
Denver, CO
May 31-June 1, 2017

The Orthobiologic Institute
8th Annual PRP & Regenerative Medicine Symposium
Workshops & Cadaver Labs
Las Vegas, NV
June 8-10, 2017

Medical Acupuncture:

Acupuncture for Physicians Course, UCLA School of Medicine
Santa Monica, California-June 13-16,1996
Home Video Study June-November 1996
Clinical Experience-December 6-15, 1996

AAMA Symposium: Energetic and Physiologic Basis of Acupuncture≅ Sponsored by the Maricopa Medical Center and the American Academy of Medical Acupuncture, May 30-June 1, 1997, Arlington, Virginia

1998 AAMA PRE-Symposium Workshop:
“Palpation Skills in Acupuncture Points and Pulses”
San Diego California, April 2, 1998

“The Diversity of Acupuncture: Local and Distant Treatment Strategies”
San Diego, California, April 2-5, 1998. Sponsored by the Maricopa Medical Center and the American Academy of Medical Acupuncture

Five Element Acupuncture for Physicians Intermediate Program
La Jolla, California, September 12-17, 1998

1999 AAMA Symposium: “Controversies in Acupuncture” sponsored by the Maricopa Integrated Health System and the American Academy of Medical Acupuncture, Chicago, Illinois April 8-11, 1999

Acupuncture for Sports Injuries Workshop
UCLA School of Medicine
The Tempe Mission Palms, Tempe, AZ, September 25-26, 1999

2000 AAMA Symposium: “Unveiling the Mysteries of Acupuncture: Energetics, Myofascia and Neurophysiology” sponsored by the Maricopa Integrated Health System and the American Academy of Medical Acupuncture, and the American Academy of Medical Acupuncture, April 27–30, 2000, Orlando, Florida

Medical Acupuncture Review Course sponsored by Maricopa Integrated Health System and the American Academy of Medical Acupuncture, December 2-3, 2000, Phoenix, Arizona

Medical Acupuncture Clinical Skills for Preceptors, UCLA School of Medicine, January 1 – June 30, 2003

Medical Acupuncture for Physicians: Returning Warrior Program, UCLA School of Medicine, May 16 – 25, 2003, The Tempe Mission Palms, Tempe, Arizona

UCLA School of Medicine
Medical Acupuncture Advanced Clinical Skills for Preceptors
January 1-June 30, 2004-Various

Helms Medical Institute
Acupuncture for Physicians
Tempe, AZ
December 4-5, 2004

UCLA Medical Acupuncture Meeting
Berkeley, CA
May 19-23, 2005

Helms Medical Institute-Acupuncture for Physicians
Tempe, AZ
May 21-23, 2005

Helms Medical Institute
Medical Acupuncture for Physicians
Tempe, AZ
May 19-28, 2006

American Academy of Medical Acupuncture
Gokavi Transverse Technique Workshop
San Francisco, CA
February 25-26, 2006

American Academy of Medical Acupuncture:
The use of Kiiko Matsumoto's & Myofascial Treatment Strategies in Gynecological Conditions:
uncovering the Deep Neuroanatomic Map of Somato-Viscero/viscera-Somatic Reflexes
Chicago, Illinois
March 1-2, 2008
13 AMA PRA Category 1 Credits

American Academy of Medical Acupuncture 20TH Annual Symposium
Washington, DC
April 10-13, 2008

Musculoskeletal Ultrasound:

American Institute of Ultrasound in Medicine
A Practical, Hands On Approach
New York, NY
August 19-21, 2005

15th Annual Conference on Musculoskeletal Ultrasound
Winter Park, FL
November 6-8, 2005

American Academy of Physical Medicine & Rehabilitation Annual Assembly
Fundamentals of Diagnostic Musculoskeletal Ultrasound
Honolulu, Hawaii
November 8-12, 2006
5 Category 1 CME Credits

The Association for Medical Ultrasound
AIUM-Hands On Musculoskeletal Ultrasound: Diagnostic and Interventional Techniques
July 13-14, 2007

American Academy of Physical Medicine & Rehabilitation
Diagnostic Musculoskeletal Ultrasound for the Physiatrist
San Diego, CA
November 19-23, 2008

8 AMA PRA Category 1 Credits

University of Texas Medical Branch
Electromyography and Cervical Dystonia Regional Ultrasound Workshop
Musculoskeletal Ultrasound Anatomy
Musculoskeletal Ultrasound Chemodenervation for ULS
Houston, TX
February 4-5, 2009
5 AMA PRA Category 2 Credits

American Academy of Physical Medicine & Rehabilitation
Hands-On Diagnostic Musculoskeletal Ultrasound:
Where We've Been and Where We Are Headed
Austin, TX
October 21-22, 2009
12.75 Category 1 CME Credits

American Academy of Physical Medicine & Rehabilitation
Musculoskeletal Ultrasound of Upper Extremity
Las Vegas, NV
June 11, 2010
24.50 Category 1 CME Credits

American Academy of Physical Medicine & Rehabilitation Annual Assembly
Hand-On Diagnostic Musculoskeletal Ultrasound
Seattle, WA
November 2, 2010
19.75 Category 1 CME Credits

American Academy of Physical Medicine & Rehabilitation
Diagnostic and Interventional Musculoskeletal
Ultrasound of Lower Extremity
Las Vegas, NV
February 11, 2011
5.50 Category 1 CME Credits

American Academy of Physical Medicine & Rehabilitation
Diagnostic and Interventional Musculoskeletal
Ultrasound of Upper Extremity
Las Vegas, NV
June 10, 2011
12 Category 1 CME Credits

American Academy of Physical Medicine & Rehabilitation -Faculty Live Activity
Hands-On Diagnostic Musculoskeletal Ultrasound:
In-Depth Intro to Uses and Techniques
Atlanta, GA
November 15, 2011
32.25 Category 1 CME Credits

American Academy of Physical Medicine & Rehabilitation -Faculty Live Activity
Diagnostic and Interventional Musculoskeletal Ultrasound of the Lower Extremity
Las Vegas, NV
February 10-12, 2012
20.0 Category 1 CME Credits

AOCPPM Course
Musculoskeletal Ultrasound Evaluation and Injection Procedures
Of the Hip and Related Structures
Beaver Run Resort
Breckenridge, CO
January 18-20, 2013
18.75 Category 1A CME Credits

7th Annual AIUM Mayo Clinic Diagnostic & Interventional
Musculoskeletal Ultrasound Course
Mayo Clinic, Phillips Hall
June 26 -29, 2013
22.50 Category 1 CME Credits

American Academy of Physical Medicine & Rehabilitation
Introduction to Diagnostic and Interventional
Ultrasound Applications in Physiatry
Course Director, Presenter, and Table trainer
National Harbor, Maryland
October 1 - 2, 2013
26.0 Category 1 CME Credits

American Academy of Physical Medicine & Rehabilitation
ISPRM Symposium: Advances in Musculoskeletal and Sports Rehabilitation
Cancun, Mexico
June 4, 2014
8.0 AMA PRA Category 1 Credits

8th Annual AIUM Mayo Clinic
Diagnostic and Interventional Musculoskeletal Ultrasound Course
Mayo Clinic, Phillips Hall
July 10-12, 2014
24.75 AMA PRA Category 1 Credits

American Academy of Physical Medicine & Rehabilitation
Introduction to Diagnostic and Interventional Ultrasound Applications in Physiatry
San Diego, CA
November 13-16, 2014
21 AMA PRA Category 1 Credits

American Academy of Physical Medicine & Rehabilitation
SAE-P Introduction to Musculoskeletal Ultrasound
December 18, 2014
8 AMA PRA Category 1 Credits

The University of Texas Medical Branch at Galveston
2015 Musculoskeletal Ultrasound Upper Limb Spasticity Anatomy Workshop
Houston, TX
September 10 – 12, 2015
3.00 AMA PRA Category 1 Credits

American Academy of Physical Medicine & Rehabilitation
Fundamentals of Ultrasound
Boston, MA
September 29-30, 2015
16 AMA PRA Category 1 Credits

Mayo School of Continuous Professional Development
5th Annual Comprehensive Sports Medicine Update and Board Review 2016
Loews Minneapolis Hotel
Minneapolis, MN
June 22-25, 2016
30.25 AMA PRA Category 1 Credits

The University of Texas Medical Branch at Galveston
2016 Cadaver Musculoskeletal Ultrasound and Spasticity Anatomy Course
Houston, TX
September 22 - 24, 2016
3.00 AMA PRA Category 1 Credits

AAPM&R 2016 Annual Assembly
New Orleans, LA
October 20 - 23, 2016
18.0 AMA PRA Category 1 Credits

AAOM 34th Annual Conference and Scientific Seminar
Lyftogt Perineural Injection Treatment Workshop
Seattle, WA
April 19-22, 2017
22 AMA PRA Category 1 Credits
